Bi-centennial Theme Of Girl Scout Week

March 9th through March 15th has been designated as Girl Scout Week 1975. Final plans have been made by the area troops and will follow a patriotic theme in observance of our nation's Bi-Centenial.

Each troop in the area will be involved in various studies of Colonial Life and will learn a particular colonial art to revitalize interest in the girls of the life of our early pioneers. Some troops will be making candles, others soap, others researching costumes and making them while other will learn folk songs and learn how the colonists entertained themselves in their leisure time.

A major display will be exhibited somewhere in Appomattox to show the results of their studies and experiments during the week . . . probably in the shopping center on March 15th.

In another vein, the Delta Zeta Chapter of Beta Sigma Phi recently presented the Virginia Council of Girl Scouting with a check designated for resource books to be available for area scout leaders and their troops.

Arts and Crafts Center Membership to Meet

The annual meeting of the "Historic Appomattox Station Arts & Crafts Center, Inc." will take place at 10 a.m., Thurs., Mar. 13, 1975 at Farmers National Bank community room, Triangular Plaza Shopping Center. The Arts & Crafts Center will begin its second year of operation with a first week of April Grand Opening in the Appomattox Railroad Station, Main Street. As the March 13th meeting is the annual meeting and general election, all old members and prospective new members are encouraged to attend. Major items on the agenda include: election of officers and Board members; ammendments to the By-Laws; and the operation of the station shop for the 1975 season.

During the 1974 season, the Arts & Crafts Center membership numbered more than 60 citizens, mostly residents of Appomattox County. This year, the Center is looking toward an increased membership, scale of operation, and gross sales, plus an increased tourist trade to Downtown Appomattox. Membership is only $5.00 for individuals, and $7.50 for families, and grants the privilege to consign original arts & crafts plus historic artifacts and antiques to the station shop for sale. Gross sales for the 1974 season exceed $6,200.

The Arts & Crafts Center is a not-for profit corporation licensed as a "Commission Merchant" by the State. Its purpose is one of community service: "To create a focal point of community involvement and pride in downtown Appomattox through use of the Railroad Station as a community arts and crafts center, and to promote development of Downtown Appomattox as a resident and tourist trade center - capitalizing on the Civil War, Railroad - local arts & crafts themes." Membership is open without regard to sex, race, color, creed, national origin, or socio-economic conditions or background. New members welcome! Public is invited to the meeting.

Jr. Woman's Club Met Tuesday

The Appomattox Junior Woman's Club met on Tuesday evening, February 25 at 7:30 p.m. at the Farmer's National Bank in the Triangle Plaza Shopping Center. Mrs. James A. Nolen, president of the club, presided.

The call to order was given by Mrs. Nolen followed by the devotional led by Mrs. Arlene Stratton. The collect was then recited by all members present.

Mrs. Monte Mays, chairman of the Conservation and Gardens Department of the club, introduced the guest speaker, Mrs. Charles T. Moses. Mrs. Moses gave a very interesting program on flower arrangements and demonstrated ways of arranging flowers as well as information on selecting appropriate containers. Her presentation was found to be most helpful and enjoyable by the young women present who were also given the opportunity to question Mrs. Moses after her talk.

A short business meeting was then conducted to discuss future activities and a social period was then held during which delicious refreshments were served by February hostesses, Mrs. Anne Reynolds, Mrs. Anne Robinson and Mrs. Arlene Stratton.

The club also held its Fine Arts Show the same evening with members exhibiting their arts and crafts projects. Mrs. John Booker, chairman of the Arts Department of the Appomattox Junior Woman's Club, expressed her thanks to all members who exhibited their projects and to the judges, Mrs. Lloyd Walton and Mrs. Richard Bartelt.

Women's Clubs Sponsor Scrap Aluminum Drive

The citizens of Appomattox will have the opportunity to improve the environment and help the Virginia Federation of Women's Clubs provide scholarships for teachers to attend Environmental Courses offered at Virginia Polytechnic Institute and State University in Blacksburg and Reston, Va., Virginia State College in Petersburg, and The College of William and Mary in Williamsburg, Va.

The Virginia Federation of Women's Clubs in cooperation with Reynolds Metals Company is sponsoring an all-aluminum beverage can and scrap aluminum and bring to the spring district meeting in their respective district. There are eight districts in the Virginia Federation competing to see which district will collect the most aluminum.

Mrs. John Canada of Appomattox is conservation vice-chairman for the Alice Kyle District. There are 52 clubs in the Alice Kyle District. Forty Women's Clubs and 12 Junior Women's Clubs.

Mrs. H. S. Emerson, President of the Alice Kyle District has announced that the Alice Kyle District meeting will be held March 15 at the New Appomattox County High School. Any individuals or organizations interested in helping to improve their environment and in helping the Alice Kyle District of The Virginia Federation of Women's Clubs to be the winning district may bring their aluminum to the high school on Sat., Mar. 15 from 8:45 to 10:30 a.m. Only all-aluminum cans and clean household aluminum scrap will be accepted. All-aluminum cans are easily identified by a magnet. If the magnet does not stick to the sides and ends, it is aluminum. In addition to beverage cans, bring TV dinner trays, scrap foil, margarine tubs, pie pans, pudding and snack containers.

The Reynolds Metals Company will have a van at the school and will pay the Virginia Federation 15c per pound for all aluminum turned in. This money will be used to provide the environmental scholarships. At least one scholarship will be awarded to a teacher or student in the winning District.

Mrs. Daniel S. Spiers of Richmond, President of the Virginia Federation of Women's Clubs, has set April 22-24, 1975 as the date for the State Convention to be held at the John Marshall Hotel. Recognition will be given to the winning district and club at this meeting.

Mrs. James R. Burton, Conservation Chairman for the Virginia Federation of Women's Clubs explained that this program was initiated with a four-fold purpose:

1. To raise funds for environmental education.
2. To preserve the supply of a valuable natural resource (bauxite used in making aluminum) for re-use.
3. To improve our environment by reducing litter and solid waste.
4. To save energy. Recycling aluminum for re-use requires less than five per cent of the energy used to make the aluminum originally.

This program will be entered in the General Federation of Women's Clubs/SHELL Oil Co. Environmental Contest. The Virginia Federation will be competing with other States for a cash award of $1,000 for first place and $500 for second place. The awards will be given to recognize the State Federation having the most outstanding environmental education program sponsored by the State Federation. Should the Virginia Federation be a winner, the money will be added to the Environmental Scholars h i p Fund.
